Dear Mr Morgan

ECA/JIB Membership

We are in receipt of a copy of your application for joint ECA/JIB Membership.

On checking the information given, we note that you employ previously JIB Graded Operatives. We would be pleased to receive a list of their Names and National Insurance Numbers at your earliest convenience. Please use L12128 enclosed and return this to the above office clearly marked for my attention.

For those Operatives not previously graded, we are enclosing Application Forms, plus the Grading Definitions. Further copies of the forms are available to download from our web site at www.jib.org.uk. To obtain an ECS Card a valid ECS Health and Safety Assessment or proof of a recognised exemption is required.

Before the JIB can continue with your application, we will try to accommodate your Apprentices into the JIB. We will, therefore, require details of any technical qualifications, taken or to be taken. If the Apprentices have already been enrolled on the 2004 Scheme with JT Limited, their Registration with us should be dealt with by their Managing Agent.

Should you need any further assistance please do not hesitate to contact us. We look forward to hearing from you shortly.

Yours sincerely

R. Gibbs
Industrial Relations Officer
